## MENTE ARGENTINA CODE PROGRAM

### CODE PROGRAM OVERVIEW

During the 1st week of the program, you will learn HTML and CSS, which provide the structure of the site, and from week 2 onwards we will focus on JavaScript and programming fundamentals, which you will use to make your site dynamic and responsive to user interaction. JavaScript is a booming language in web development and probably the best language for somebody that is learning to code.

The content and dynamic is world class, provided through our partnership with one of the best Coding Bootcamps in San Francisco.

Despite the course is intensive and it provides you with all the tools you need, the more time you invest in practicing during your spare time the better the results you will get. Practice makes perfect and improves your portfolio, in case you want to start a career in web development. We will provide you with all the teacher support you need, being able to contact them and ask them questions in every moment you need after class. We are by your side all the time.

## CODING SCHOOL IN BUENOS AIRES

The Mente Argentina Coding School is based in Buenos Aires and it's partnered to one of the most important Coding Bootcamps in San Francisco and the content provided and dynamic is the same as the one in their courses, guaranteeing an internationally recognized academic quality

## INTENSIVE CODE PROGRAM + SPANISH LESSONS

Mente Argentina Intensive Code Program also offers an optional Intensive Spanish Course of 20 hours of Spanish immersion classes per week (Monday to Friday from 9am 1pm). This would be the occasion to refresh your memory and to prepare you with specific business & casual vocabulary as well as the most common Argentine expressions and words that you will need to interact in Argentina.

Lessons take 4 hours per day and are delivered from Monday to Friday through the Mente Argentina Intensive Spanish Program in reduced groups of up to 8 students. These group classes can be combined with individual lessons so that you can reinforce your weaknesses and we can answer your inquiries in a one on one meeting.

Spanish School's teachers are highly qualified and have a vast experience in teaching Spanish as a second language. Therefore, the classes will be interactive and above all enjoyable!

The classes can be attended both in the morning and the afternoon, so they will not overlap with the activities of your program.

- ✓ Weekly Spanish Course Fee Add-on (Monday to Friday – 20 hours per Week): USD 195
- ✓ 4 Weeks Spanish Course Fee Add-on (Monday to Friday – 20 hours per Week): USD 690

## ...OR WITH ANY OTHER MENTE ARGENTINA PROGRAM

Mente Argentina offers you the possibility to combine your Intensive Code Program with another Mente Argentina Program (OPTIONAL).

We offer big discounts for those participants who would like to take 2 or more Mente Argentina Programs simultaneously or back to back. If this sounds like something you would like to do, please contact us so we can quote your full program.
