DID YOU KNOW?

In the last few years, especially since the Argentine currency devaluation, more foreign students have enrolled on Argentine universities to do their Masters and Graduate/Postgraduate courses in Buenos Aires, Argentina. Therefore, they take advantage of the favorable exchange rate while they benefit from the high educational level.

GRADUATE START UP PROGRAM OVERVIEW

To begin the process, a Mente Argentina Program Advisor will counsel you extensively on your various graduate program options in Buenos Aires based on your area of interest and desired program length. Together you'll review the benefits and distinguishing features of each of our partner universities in order to select the best graduate program for you.

Once you have chosen a program that fits your needs, Mente Argentina will work together with you on the application, overseeing the admissions process and facilitating all communication with the university. With a successful preliminary application, Mente is able to guarantee admission to your program of choice due to the strong professional relationships we maintain with top Argentine universities. So far, 100% of the participants who have applied through Mente Argentina have gained successful admission to their program of choice.

Later, after your admission is confirmed, Mente Argentina will manage the final phases of enrollment and registration, handling any and all university paperwork, legal matters, scheduling issues, etc. We act as a continuous liaison between you and the Argentine university for issues related to acceptance, academics, student visas, and more. In a foreign educational system that is often difficult to navigate, Mente Argentina is your link to international academic success.

Finally, to conclude the process, we will confirm your accommodation along with other included features such as cultural activities, a welcome package, and 24/7 on-site assistance. These various elements of the program will follow you on your graduate school journey for as long as you choose, whether you're looking for an initial 6-month boost in Buenos Aires or an ongoing support structure throughout the first 12 months of your entire degree. Through a comprehensive set of program resources, the Mente Argentina Graduate Start-Up Program gives students a holistic experience that helps them discover Buenos Aires in a unique and different way.

STUDENT VISA PROCESSING

Arranging a student visa is undoubtedly one challenging aspect of embarking on a graduate degree in Argentina. This process involves gathering a long list of apostilled documents in both your home country and in Argentina. Later, the authenticated documents must be filed in person at Argentina immigration services. Mente Argentina's experienced bilingual staff will guide you through every step of this process, providing detailed instructions, arranging your application, and accompanying you in person to every appointment.
